# Chrome Foot Bar; vary your posture while standing.

Lightweight and durable, the **Chrome Foot Bar** is ideal for people who use sit-stand stools or are required to stand in one place for long periods of time. It allows workers to vary their posture by resting one foot at a time on the bar, reducing the amount of pressure on the lower back.

---

## Features

- Allows workers to vary their posture while standing and reduce stress on the lower back, hips and leg joints
- Works well in conjunction with a sit-stand, standing mat, or height adjustable workstation
- Simple, portable and easy to use
- Dimensions: 12" w x 8" h

---

## Warranty

**10 Years**
