About the upCentric Laptop Stand

Generous Adjustability

The range adjustments let you easily adjust and tilt the upCentric Laptop Stand, without tools, to view your work clearly in the proper position, while protecting your eyes, neck and back.

Slip Resistant Design

Non-slip silicone pads on the surface, protects your devices from scratches and prevents slippage.

Transportable

Weighing less than 3 lbs, the upCentric laptop stand is lightweight, portable and foldable making it convenient to carry to the office, home or when you are on the go.
