

# Pop-Up Power Harness

ergoCentric

# Pop-Up Power Harness; always there, but only when you need it.

The power harness is mounted flush and enriches everyday workflow when in use, while being tucked away when not in use. The AC receptacles are dynamically positioned for simpler power access handling. The **Pop-Up Power Harnesses** are available in black.

**Note:** Requires 3" bore for installation and a minimum of 12" clearance under mounting surface to operate correctly.

---
