GSA Schedule Awarded to ergoCentric

Mississauga, Ontario, Canada – June 20, 2017 – Continuing to build on its commitment to Government sectors, ergoCentric Seating Systems (ergoCentric) is proud to announce that it has been awarded a new, five year Government Services Administration (GSA) Schedule contract [#GS-27F-019GA](#), effective immediately. This contract vehicle enables US Federal Government organizations, along with other entities authorized to utilize the GSA Schedule, to easily acquire ergoCentric's industry leading ergonomic and healthcare seating under pre-defined pricing and terms. Special Item Numbers include:

SPECIAL ITEM NUMBER

SIN 711-11	Tables & Accessories
SIN 711-17	Multiple Tables
SIN 711-18	Multipurpose Seating
SIN 711-19	Stacking chairs, folding chairs and dollies or trucks designed to support stacking and folding chairs
SIN 71-316	Hospital and Geriatric Chairs

"We are very pleased to have been awarded another contract from GSA," said Terry Cassaday, Founder of ergoCentric. "We are beginning to experience strong demand for our latest seating system the [tCentric Hybrid](#) and this contract makes it much easier for Federal Government customers to acquire our high-performance task seating on very favorable terms."

ergoCentric holds many patents and patents-pending for ergonomic task seating, as well as for its [IC+ Upholstery Solution](#). With modular manufacturing, ergoCentric can fit 100% of the workforce allowing GSA customers to purchase ergoCentric chairs for both major project work, as well as accommodating an individual's specific ergonomic requirement.

The tCentric Hybrid, as well as the remainder of ergoCentric's Office Seating and Healthcare products are featured on GSA Advantage.

About ergoCentric Seating Systems

ergoCentric Seating Systems was founded by Terry Cassaday in 1990. Since then ergoCentric has been dedicated to designing, manufacturing and selling modular ergonomic seating solutions for office, specialty and healthcare environments for customers such as Apple®, Bell Canada and the Canadian Revenue Agency. Its build-to-order manufacturing system allows ergoCentric to fit 100% of the workforce, while its always-in-stock inventory of components allows it to quickly and cost effectively assemble and ship seating solutions anywhere in North America and Europe. ergoCentric's products appeal to a broad range of buyers including facilities managers, ergonomists, occupational health and safety professionals and interior designers.
