

Zpower Dock

Convenient, clutter-free power within reach.

White

Black

Zpower is an all-in-one power hub designed to provide quick and accessible power at every workstation. Its sleek, slim design mounts seamlessly to the rear edge of the desk, minimizing cable clutter and maximizing workspace efficiency.

Built with fire-retardant materials and integrated surge protection, Zpower ensures the safety of your connected devices. The tool-free installation securely clamps to desks up to 1.77" (45mm) thick, making setup quick and hassle-free.
