Provisions that apply to all tCentric Hybrid seating and services:

ergoCentric warrants the tCentric Hybrid seating to be free from defects in material and workmanship, regardless of the number of shifts during which the products are used, for the warranty periods specified above for users weighing up to 350 pounds. The tCentric Hybrid Counter Height is warranted for 280 pounds and 24/7 use.

During the applicable warranty period, ergoCentric, as its sole obligation, will repair or replace (at its option) any product, part, or component covered by this warranty and sold after the effective date of this warranty, which fails under normal use as a result of a defect in material or workmanship. ergoCentric will repair or replace the aforementioned product, part, or component with a comparable product, part, or component.

This warranty extends only to the original purchasers who acquire new product from ergoCentric, its subsidiaries, or its authorized resellers. Any product, part, or component must have been used according to ergoCentric's published instructions and installed and maintained by an ergoCentric factory-trained technician or an authorized ergoCentric dealer installer. If these requirements are met, warranty coverage will be extended. Any misuse, abuse, or modification to the original product voids the warranty. ergoCentric does not warrant the performance of the product when used in combination with other than original ergoCentric product.

Limited warranty only covers ergoCentric provided products, components, and related repair work performed by ergoCentric authorized dealers.

The warranty period starts from the date of purchase.

This document inclusively describes all of the warranties given and remedies available with respect to the company's products and services. ergoCentric and its subsidiaries disclaim any other warranty whether express or implied, statutory or otherwise, in relation to the products.

ergoCentric shall not be liable for loss of time, inconvenience, commercial loss, or incidental or consequential damages.
